

Open Network for New Science & Art
VIRTUAL INTERNATIONAL ENTERPRISE
“Start up”

**The VIRTUAL INTERNATIONAL ENTERPRISE is a free NETWORK of
TRANSDISCIPLINARY RESEARCH & DEVELOPMENT in SCIENCE & ART
for ENHANCING KNOWLEDGE ECONOMY.**

- Strategic areas are the following :

- a) Science Art and Innovation to develop creativity in contemporary society.**
- b) Education for improving a new “Creative Class” for high-tech leadership.**
- c) International rising of brain evolution and global consciousness .**
- d) Atracting investment for creative enterprises in science culture.**

Network partners of “ON-NS &A // VIE” use the same LOGO for common initiatives, programs and projects; they works together as administratively and legally independent corporate entities.
